	8	25	32	49	56	74	82														

"Steltronic scoring is directly interfaced with the USBC tournaments!"

System Hardware

VISION Lane Computer (VLC)

The VISION Lane Computer (VLC) is the heart of our scoring system utilizing the highest quality components. Each lane pair consists of one VLC, one API, one PinCam, and either one or two QWERTY Keypads. This system is then networked to our FOCUS Front Desk and Office System.

But we don't stop there! We offer ATGPC Time Game Control, PhotoStrike Kiosk, Digital Signage, Live Bowling Apps, OrderMan Handheld, and more!
