The screenshot displays a software interface for lane management. On the left is a sidebar with menu items: Cash Register, Restaurant / TABS, Time Games, Reservations, Waiting List, Membership, Lockers, Time Clock Manager, Advertising manager, Configuration Man..., Products and Rates, and Daily Reports. The main area contains two game score tables. The first table is for 'Sue - Game' and the second is for 'Tim - Game'. Both tables have columns for Name, Handicap, Blind, Tot, and Cumul, and a grid of 10 numbered slots (1-10) for individual scores. All handicap, blind, total, and cumulative values are currently 0. At the bottom, there is a toolbar with buttons for Refresh, Clear Games, Print Preview, Print, Send by mail, Print with photo, Preview Recap, and 'Ok - Go back to lane management'. A yellow circle highlights the 'Ok - Go back to lane management' button. The bottom status bar includes 'Task bar', 'Full screen', 'Emergency shutdown', '!!! TRAINING MODE ACTIVE !!!', and 'Open Cash Drawer'.
